Take a step toward healthier feet

Your feet work hard for you—why not give them the care they deserve? Join us at the Neat Feet Clinic, held every month!

For just \$25, our registered nurse will:

- Trim and file your toenails
- Apply soothing lotion
- Check for any foot issues like redness, blisters, bruises, skin lesions, edema, corns, calluses, or ingrown and thick toenails

If we spot any concerns, we'll refer you to your primary doctor, practitioner, or podiatrist for further care. It's a simple and affordable way to keep your feet healthy!
