

## 2025 Health Careers Scholarship Program Guidelines

Daviness Community Hospital Foundation provides scholarship awards to aspiring health care professionals in an effort to support and encourage those individuals to return to our community to fulfill our communities' need for dedicated, trained health care providers in a hospital or clinic setting. Daviness Community Hospital Foundation makes scholarship awards through three scholarship programs.

### General Guidelines:

- Accepted to or attending an accredited educational institution of higher learning. Preference given to students who are already attending an institution of higher learning.
- Pursuing a degree in the field of health care, with the intention of pursuing that career in the Daviness Community Hospital service area. Eligible paths of study should prepare the student for a career that will contribute to the improvement of the health of those living in our community. \* This does not include the field of Dentistry. If you have questions whether your path of study qualifies, please call the DCH Foundation office at 812-254-8858 or email [asteiner@dchosp.org](mailto:asteiner@dchosp.org).
- Live in Daviness, Martin, or Pike County or is a dependent of a Daviness Community Hospital full or part-time employee, regardless of residence.
- Awardees are eligible to receive a scholarship award in up to two scholarship award cycles. They do not have to be consecutive.
- Full and part-time students are eligible.
- Scholarship funds may be used to cover tuition, books, room and board, uniforms, and other reasonable expenses. Funds are paid directly to the educational institution.
- All applications and/or attachments must be typed and double-spaced.
- Applications that do not supply all requested information and/or attachments and do not meet scholarship guidelines and/or deadlines will not be considered.

Daviness Community Hospital Foundation makes scholarship awards through three scholarship programs. Only one application is required to be eligible for any of these scholarship programs:

- The Health Careers Scholarship Program: Up to \$1,500 may be awarded for each scholarship recipient selected.
- The Helen Arthur Memorial Scholarship Award: A \$750 scholarship award for a student pursuing a nursing degree.
- The DCH Auxiliary Scholarship Award: A \$1,000 scholarship award for a student pursuing a career in healthcare and a desire to practice in Daviness County and the surrounding area.
